Cancer & Critical Illness: Tool Kit

Utilize the links below to access essential tools for Cancer and Critical Illness plans that are part of Nexben's portfolio.

Aetna

Indemnity benefit for first occurrence of cancer, heart attack or stroke events with recurrence coverage for individuals and families.

Assurity

Three plans at different price points to meet more clients needs. Guaranteed issue and coverage for families, individuals or unique juvenile-only plans.

Cigna

Providing a flexible lump sum cancer policy with a maximum benefit amount of $100,000. Available to ages 18 – 99. In addition, a flexible Heart Attack and Stroke policy provides a percent of benefit amount payable for 8 qualifying events. Available as a stand-alone policy or as a rider on the cancer policy.

Guarantee Trust Life (GTL)

Three unique products are designed to help alleviate the financial hardships due to cancer, critical illnesses and accidents.

LifeSecure

Providing a lump-sum benefit upon the diagnosis of covered diseases, regardless of any other insurance in place. Includes re-occurrence, subsequent diagnosis of a different specified disease and return of premium benefits. Issue ages 18 through 70.

Mutual of Omaha

The Critical Advantage portfolio brings the three, direct payment products of Critical Illness, Cancer, and Heart Attack & Stroke insurance into one family. From a consumer perspective, this full-scale portfolio offers numerous price points and options to fit almost any situation or budget.

United National Life (UNL)

Cancer Sheild 2.0 is first diagnosis Cancer Insurance with a scheduled benefit. Three benefit levels to select from with optional riders for express pay, restoration, return of premium and additional Cancer, Heart Attack, or Stoke rider.

Wellabe

First Diagnosis Cancer insurance lump-sum payment allows policyholders to choose when and where to spend the money to cover a wide-range of expenses. Issue ages 18 to 79.

Zurich

Three benefit levels paying a fixed benefit for a diagnosis of a covered critical illness. Offered through Morgan White Group and available to members of Benefits Association, Inc. Spouse benefit at 100% of the primary insured and covered children at 25% of the primary insured. Enrollment to age 65 (63 in CA). Coverage terminates at age 70 (65 in CA).
