

## DialCare Ancillary: Tool Kit

Utilize the links below to access essential tools for DialCare's ancillary plans that are part of Nexben's portfolio exclusively through Morgan White Group.

### Telemedicine

These plans are not insurance and are not intended to replace health insurance. Three innovative solutions are offered providing members access to licensed doctors, dentists, and mental health professionals to receive help via phone or video consultations all with a \$0 consultation fee. Hassle-free online quoting and enrollment using your Insurance for Everyone (IFE) customized link.
