

Drug Discount: Tool Kit

Utilize the links below to access essential tools for drug discount plans that are part of Nexben's portfolio.

GlicRx

A free discount drug card that saves up to \$95 off brand and generic medications. Provides an option for people who don't have prescription coverage, are underinsured or have high copays. It even works on prescriptions for your pets! GlicRx pays you for each prescription filled. GlicRx is not insurance.
